NMPHC Newsletter

PRESIDENT'S MESSAGE

The show season is starting to wind down for many of our exhibitors. Although, we still have the "Sweepstakes Show" at Midland in September and the "Fall Color Classic" at Lansing in October. This year has brought new events and changes to the club. Some good and some need to be worked on. Most of the feedback we've gotten is positive.

The biggest change this year was the addition of the "Ludington Scholarship" show. The location is great. It did bring a few new exhibitors to our club. The open exhibitors were fewer than we hoped for, but, that might take some time to catch on. There were a lot of lookers and their comments were positive. I want to thank Dale and Cheryl Miller for their donation to sponsor the show grounds. Also, I thank all of the volunteers who donated their time to help keep the cost down. That's what makes this club enjoyable to be part of. I'm sure that you will hear good things from those exhibitors that were there. Next year looks to be better and with a bit of luck, "Mother Nature" will provide us with warmer temperatures.

Speaking of "Mother Nature". She did decide to pick the weekend of the August Big Rapids show to let us know she is still the boss. It was unfortunate for everyone, the club the exhibitors, and the Judges. This is the first time since I have been involved with the club, that a show had to be cancelled. I guess we can count our blessings, since we all know what the weather can be like in Michigan. Thank you for your understanding. I was a tough decision the board had to make.

I hope to see a good turnout at the September and October shows. The club can use your support. Be safe in your travels and I will see you all in September.
